

St. Charles Youth Confirmation Program

As the preparation for the Sacrament of Confirmation is a process, we have broken down the program into two steps. Confirmation 1, the beginning process in which the candidate takes time to share and practice their faith, learn and review the teachings of our Catholic faith, and most importantly, build their relationship with Jesus Christ. Confirmation 2, the final part of process in which the candidate will be engaged in practice and discussion towards a deeper understanding of our Catholic faith. At this time, he/she has shown a desire to pursue a deeper relationship and response to Jesus Christ, understanding that Confirmation is a commitment and call to action.

In order to help the Youth Ministry team to judge the readiness of candidates, below are the requirements for each Confirmation program step:

Confirmation name/Saints and Sponsors

As you prepare for Confirmation, you are asked to choose a name that will indicate your awareness of how Confirmation calls you to live as a disciple of Christ. Confirmation names can be your Baptismal name, or you can find a Saint for your name. The Saints we choose for Confirmation are guides/role models for us to follow. Find a Saint that you can connect/relate to, for as you confirm your faith, you also choose the Saint name as your Confirmation name.

When choosing your Confirmation sponsor, take into consideration that you should be able to share and talk to this person about most anything. For your Confirmation sponsor will be called to walk with you and help guide you through your spiritual journey, not just for Confirmation, but throughout life. When choosing a sponsor, the sponsor must be a Confirmed practicing Catholic, for example, he/she attends and participates in weekly Sunday mass.

Confirmation Commitment Form

Understanding Confirmation: Confirmation completes the grace of Baptism by a special outpouring of the gifts of the Holy Spirit, which seal/confirm the baptized in unison with Christ and equip them for active participation in the worship and apostolic life of the Church (*Catechism of the Catholic Church*, 1285). The key to Confirmation is active participation and therefore requires commitment. Although this journey is largely about formation in the faith, it is mostly about experiencing a relationship with Jesus in the faith and living the gospel. To accomplish this we require a firm commitment from all participants to the program. Below is a summary of what is expected from each candidate.

What we expect when you join Confirmation:

- Consistent Confirmation preparation class, Mass and ministry attendance
- Fulfillment of assigned reflections and tasks (i.e: monthly family videos)
- Openness to explore and develop spirituality/faith life
- Commitment to developing a real living relationship with Christ
- Respect for self/peers/ministers/teachers
- Openness to be changed for and by Christ
- Desire to take ownership of faith and responsibilities connected to living faithfully
